RESPONSE

ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

SIR:

In response to the Communication of November 13, 2002, the present Response is submitted.

The Communication of November 13, 2002, indicated that the previously submitted Declarations for the above-identified application were defective.

However, in a telephone conversation with PCT Legal Examiner Rafael Bacares, Mr. Bacares indicated that the Communication of November 13, 2002, did not consider the Declarations filed July 1, 2002. The Declarations filed on July 1, 2002, are believed to be proper as each Declaration indicates all of the inventors. For convenience a copy of the Declarations filed July 1, 2002 are submitted herewith, along with the date-stamped filing receipt indicating their filing. Also, the Declarations filed July 1, 2002, were a facsimile

copy, and the original copy with the original signature of those Declarations is also submitted herewith.

The enclosed papers are believed to fully address the issues in the Communication of November 13, 2002. The filed Declarations are therefore believed to be proper.

Respectfully submitted,
